REPORTS TO LEGISLATURE 12

Abstracts are due to Legislative Services Division by September 1, 2010.  
Outlook calendar reminders are set for: August 1<sup>st</sup> and August 23<sup>rd</sup>.

Subsection (2), 5-11-210 describes required content for the abstract: "On or before September 1 of each year preceding the convening of a regular session of the legislature, an entity required to report to the legislature shall provide, in writing, to the appropriate interim or statutory committee: (a) the final title of the report; (b) an abstract or description of the contents of the report, not to exceed 100 words; (c) a recommendation on how many copies of the report shall be provided to the legislature; (d) the reasons why the number of copies recommended is, in the opinion of the reporting entity, the appropriate number of copies; and (e) an estimated cost for each copy of the report.

22-1-213. State publications -- notification and availability requirements. State agencies shall notify the state library of their state publications and shall make their state publications available to the state library as provided by rule. The state library shall, if requested by the agency, reimburse any state agency for state publications required to be made available when the quantity desired will necessitate unreasonable expense to the agency.
